

Recommended Jewelry Cleaning Products

Klean Karats® Jewelry Care Kit

This kit includes a treated cloth (treated with tarnish fighting and inhibiting ingredients that safely and effectively polish the surface of gold, silver, and platinum jewelry), a jar of fine jewelry cleaner, and a care card with instructions.

\$15

Professional Polishing Cream

All natural, biodegradable and non-abrasive polishing cream and tarnish remover. Great for sterling-blended Mokume. (2 oz. container)

\$15

Ultrasonic Cleaner

This Sonic Wave cleaner is perfect for diamond and gemstone jewelry! Lightweight, non-heating and easy to use, the stainless steel cleaning chamber uses ordinary tap water to gently vibrate particles away without harsh chemicals or scrubbing. 16 oz. capacity; 3 minute digital timer with automatic shut-off. (Model CD-2800)

\$75

Basic Cleaning Kit: Essential care for precious metal rings and non-porous gemstones. Our basic cleaning kit includes Klean Karats® Jewelry Care Kit and Professional Polishing Cream.

\$25

Complete Cleaning Kit: The ultimate care package creates a spa day for your fine diamond and gemstone jewelry! Our complete cleaning kit includes an Ultrasonic Cleaner, Klean Karats® Jewelry Care Kit, and Professional Polishing Cream.
