

Shipping Instructions

*** Request a FedEx label from us. The FedEx charge is based upon your jewelry's value and added to your invoice. ***

If you prefer to arrange shipping to us, use a method that requires a signature (FedEx, UPS or USPS Registered Mail). Keep your receipt until we confirm arrival of your jewelry.

When shipping jewelry:

1. Complete a **Jewelry Repair Form**, available online: www.krikawa.com/pages/images/ring_return_form.pdf
2. Double box the contents. Do not use envelopes and never place loose jewelry in a shipping box without padding.
3. Do not write the word "jewelry" anywhere on the package.
4. **Insure your jewelry for the full replacement value as shown on your invoice or appraisal.** If you are not sure of the value of your Krikawa ring, email us and we can look it up for you. If it has been many years, your jewelry may have appreciated in value, so use a current replacement value to the extent known.
5. Ship jewelry to our address as follows:

KRIKAWA DESIGNS
21 E Congress Street
Tucson, AZ 85701
